A. CICOA entered into a Grant Agreement, commencing as of July 1, 2019, with Indiana Family and Social Services Administration, Division of Aging (the “State”) providing for the State’s grant of funding to CICOA from federal and state sources in return for CICOA’s provision and/or arrangement of certain services for eligible individuals pursuant to Title III of the Older Americans Act, Title VII of the Older Americans Act, Nutrition Services Incentive Program, Social Services Block Grant, Community and Home Options to Institutional Care for the Elderly and Disabled (CHOICE) program, Older Hoosier’s, Options Counseling, Money Follows the Person (MFP) and Family Caregiver program (the “State Contract”) (references hereinafter to the “State Contract” shall include the aforementioned and described agreement between the State and CICOA, any amendments to such agreement, and any future agreement between the State and CICOA which replaces and/or supersedes such agreement).

B. Contractor is qualified, experienced and engaged in the business of providing services and/or supplies as described and set forth in Attachment A (the “Services”).

C. CICOA desires to engage Contractor to provide Services to eligible individuals in accordance with the applicable laws described in Paragraph A above and in furtherance of its obligations under the State Contract, and Contractor desires to accept such engagement, all in accordance with the terms and conditions set forth in this Agreement.

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, CICOA and Contractor hereby agree as follows:

1. Term.

Subject to the termination provisions set forth herein, the term of this Agreement shall commence effective July 1, 2019, and continue in full force and effect until June 30, 2021.
2. **Provision of Services.**

(a) Contractor shall provide Services to eligible individuals (described in Section 3 below) within the geographic area described in Attachment A after receiving written authorization from CICOA. CICOA reserves the right to cancel authorized Services at any time prior to delivery.

Contractor agrees that Services provided to eligible individuals shall be based upon units of Service authorized in writing in advance by CICOA. Units of Service authorized by CICOA shall be included in the written authorization for Services described above.

(b) Contractor shall ensure that quality Services are provided to eligible individuals. CICOA shall have an unlimited and unrestricted right to make routine visits to Contractor’s (and subcontractors, if any) place of business and/or work sites for the purpose of measuring the quality of Services provided by Contractor (or its subcontractors, if any). In the event CICOA determines, in its sole discretion, that the quality of Services provided by Contractor (or its subcontractors, if any) are substandard in any respect, CICOA shall have the right to immediately terminate this Agreement by providing written notice of termination to Contractor.

(c) Contractor shall assist and cooperate with CICOA in the preparation and completion of any client satisfaction surveys and/or other surveys/reports that CICOA may conduct from time to time during the term of this Agreement.

(d) In the event that Contractor is unable to provide the Services required under this Agreement, Contractor shall immediately notify CICOA in writing thereof. In such event, CICOA shall have the right to immediately terminate this Agreement by providing written notice of termination to Contractor.

(e) Contractor shall notify, in writing, appropriate personnel from CICOA prior to termination of Services to a client for any reason. Said notice shall be given to the assigned care manager and/or the provider coordinator designated by CICOA at least fourteen (14) working days prior to the effective date of termination.

(f) If the Services provided by Contractor pursuant to this Agreement include services that are provided and/or are available under both the CHOICE and Medicaid Waiver programs, then Contractor shall (i) be appropriately certified under both the CHOICE and Medicaid Waiver programs and (ii) provide Services under each such program as directed by CICOA. In addition, Contractor shall actively maintain such certifications without limitation or restriction throughout the duration of this Agreement. If Contractor fails to maintain or loses, for any reason, either such required certification during the term of this Agreement, Contractor shall provide immediate written notice thereof to CICOA. In such
event, CICOA shall not be obligated to pay Contractor for any Services rendered in the absence of such required certifications and CICOA shall have the right to immediately terminate this Agreement by providing written notice of termination to Contractor.

3. **Eligibility and Appeals.**

   (a) The eligibility of individuals who may be provided Services by Contractor pursuant to this Agreement shall be determined in accordance with CICOA’s eligibility criteria and operating procedures, as may be amended from time to time by CICOA.

   (b) In resolving a complaint between CICOA and Contractor or a complaint by an applicant or recipient of Services, CICOA and Contractor shall comply with applicable laws and regulations, and the procedures outlined in the CICOA Client & Applicant Appeals Process set forth in Attachment C, as may be amended from time to time by CICOA. The parties hereto agree to promptly address complaints and appeals and to cooperate fully with the processing of any complaint.

4. **Payment/Administration of Funds.**

   (a)

   (i) Subject to the terms and conditions of this Agreement (including, without limitation, the terms of this Section 4), CICOA shall make payment to Contractor for Services provided by Contractor (and that are authorized in writing by CICOA as provided in Section 2(a) hereof) with funds received by CICOA from the State (pursuant to the State Contract) in accordance with CICOA policies and procedures, as may be amended from time to time by CICOA (“CICOA Policies”), and the terms of Attachment A.

   (ii) Contractor shall submit all claims for payment to CICOA on a properly completed claim form. Claim forms to be used by Contractor hereunder shall be subject to prior written approval by CICOA as to form and substance.

   (iii) Claims submitted for payment shall be for costs incurred. Costs are incurred on the date Services are actually provided to a client. Costs for payment must be received by CICOA no later than the tenth (10th) day of the month immediately following the month during which the Service was provided, or CICOA may elect to deny payment. CICOA has the discretion, and reserves the right, to NOT pay any claim received later than the tenth (10th) day of the month immediately following the month during which the Service was provided, or that is otherwise not submitted in accordance with this Section 4 or the other terms and conditions of this Agreement.
In the event that a claim paid by CICOA is disputed by the Contractor, resolution of the dispute must be reached between CICOA and the Contractor within FORTY-FIVE (45) calendar days following the end of the month in which Services were provided. CICOA has the discretion, and reserves the right, to NOT pay any disputed claims submitted by the Contractor later than FORTY-FIVE (45) calendar days following the end of the month in which Services were provided. All final claims and reports must be submitted to CICOA within FORTY-FIVE (45) calendar days after the expiration or termination of this Agreement.

(iv) Under no circumstance will any Contractor request for claim adjustments (or review of a disputed claim) received after the end of a CICOA fiscal year (June 30th) pertaining to Services rendered during such fiscal year be considered for payment by CICOA after August 9th of the current calendar year.

(v) Payments made to Contractor for the delivery of authorized Services shall be based on the unit rates contained in Attachment A. Unit rates are established for a period not less than one (1) year and shall include all costs incurred and attributable to the Services.

(vi) Contractor shall bill all other applicable sources of reimbursement/payment (i.e. Medicare, Medicaid, and/or private insurance) before billing CICOA for Services rendered. Payment provided under this Agreement shall be the funding option of last resort. Contractor shall not be entitled to payment under this Agreement for any Service for which payment for the same Service is available from another source.

(vii) If at any time during the term of this Agreement, an individual eligible for Services hereunder becomes approved as a participant in the Medicaid Waiver program, Contractor shall be responsible for retroactively seeking any allowable payment from the Medicaid Waiver program for Services rendered to such individual prior to the applicable Medicaid Waiver program approval date. In such event, Contractor shall promptly refund to CICOA any payment received hereunder for Services that are reimbursable by the Medicaid Waiver program.

If at any time during the term of this Agreement, CICOA discovers that Contractor has received payment from CICOA and the Medicaid Waiver program for the same Service (and no refund has been made to CICOA), CICOA shall have the right, in its sole discretion, to set off the payment amount made by CICOA for such Service against current or future allowable claims, to demand cash repayment, or to withhold payment of current claims in a like amount. In addition to recouping such payment amount, CICOA shall also have the right to immediately terminate this
Agreement by providing written notice thereof to Contractor if CICOA determines, in its sole discretion, that Contractor is not complying with the terms of this Section 4(a)(vii).

(viii) CICOA shall have no duty to pay Contractor for Services provided without a CICOA written authorization that includes a valid CICOA authorization number and unit of Service designation as described in Section 2(a) above.

(ix) Revisions to an existing authorized Service schedule shall be communicated to the appropriate CICOA care manager (staff), as designated by CICOA, via telephone call or voice mail message. If the revisions result in increased units of Service for the prescribed period, CICOA shall have no obligation to pay Contractor for delivery of the increased Service unless Contractor has received a CICOA written authorization (that includes a revised unit of Service designation) covering the applicable revisions and increased Service prior to delivery of said Service.

(b) CICOA’s payment for Services under this Agreement is subject to and specifically conditioned upon the availability of funds received by CICOA from the State (pursuant to the State Contract). If funds received by CICOA from the State are reduced, for any reason, at any time, CICOA shall be under no obligation to make payment hereunder to Contractor, except to the extent that such funds for Services are available to CICOA from the State. Under no circumstance will CICOA authorize Services with the knowledge that funds are not available for payment to Contractor.

(c) Contractor shall maintain all funds received from CICOA pursuant to this Agreement in separate and identifiable bookkeeping accounts and shall use the funds solely for the purposes set forth in this Agreement in accordance with the terms of this Agreement.

(d) Contractor shall follow generally accepted accounting procedures and practices which sufficiently, properly and accurately reflect all costs incurred by Contractor pursuant to this Agreement.

(e) No costs relating to the provision of Services under this Agreement may be incurred by Contractor after the expiration or termination of this Agreement.

5. Audits, Records, Reports and Inspections.

(a) Contractor shall maintain books, records and documents (including, but not limited to, payroll records, banking records, accounting records, client
records/files, Service delivery records/documents and purchase orders) which are sufficient to document all of Contractor’s provision of Services, financial activities, claims for payment and other activities under this Agreement, all in accordance with applicable law and CICOA Policies. Contractor shall also establish, maintain and provide to CICOA such other statistical and program reports as required by CICOA Policies and the laws, regulations and policies of the State and the United States Government. Contractor shall maintain all books, records and other documentation required by this Section 5(a) in accordance with applicable laws and regulations including, without limitation, the requirements of the Health Insurance Portability and Accountability Act of 1996, as amended.

(b) During the term of this Agreement and following the expiration or termination of this Agreement for any reason, Contractor shall, upon request, promptly submit and deliver to CICOA any books, records, documents and reports required to be maintained by Contractor pursuant to Section 5(a) above or this Agreement. The parties hereto agree that prompt compliance by Contractor with a request by CICOA to submit any of the items referenced in the immediately preceding sentence is critical to this Agreement. In the event of Contractor’s failure to comply with any such request in a prompt manner, CICOA shall have the right to immediately suspend payments hereunder or terminate this Agreement by providing written notice of termination to Contractor.

(c) Contractor shall, upon written demand by CICOA, repay CICOA all sums paid by CICOA to Contractor for which adequate fiscal, financial, claim payment and/or Service delivery documentation is not in existence for any time period audited. If an audit of Contractor results in an audit exception, CICOA shall have the right, in its sole discretion, to set off such amount against current or future allowable claims, to demand cash repayment, or to withhold payment of current claims in a like amount pending resolution between the parties of any disputed amount.

(d) Contractor shall maintain all records relating to this Agreement (including, without limitation, records relating to the provision of Services and financial activities/claims for payment hereunder, and all other books, records, documents and reports required to be maintained by Section 5(a) of this Agreement) during the term of this Agreement and for the longer of (i) seven (7) years after the date Contractor submits its final claim for payment to CICOA, (ii) one (1) year from the resolution of any outstanding administrative, program or fiscal audit question, or legal action, (iii) any period required under applicable law, or (iv) any period required under the State Contract. The retention period for records relating to any equipment authorized by CICOA to be purchased through this Agreement begins on the date of the disposition, replacement or transfer of such equipment.
(e) Contractor shall not dispose of, replace or transfer any equipment authorized to be purchased with funding obtained by CICOA under this Agreement without the express written approval of CICOA.

(f) During the term of this Agreement and following the expiration or termination of this Agreement for any reason, CICOA, the State and the United States Government shall have the right to enter onto the premises of Contractor (and/or its subcontractors, if any) and audit any records and property maintained by Contractor (and/or its subcontractors, if any) in connection with this Agreement. In addition, CICOA, the State and the United States Government shall have the right to enter onto the premises of Contractor (and/or its subcontractors, if any) and/or any Service delivery site(s), and conduct on-site monitoring review of the provision of Services hereunder and/or the performance of Contractor’s obligations hereunder. Contractor shall make, and require its subcontractors (if any) to make, all books, records and documents that relate to their activities under this Agreement available for inspection, review and audit when requested by authorized representatives of CICOA, the State and/or the United States Government.

(g) During the term of this Agreement and following the expiration or termination of this Agreement for any reason, Contractor agrees that it shall secure, at Contractor’s expense, an audit(s) of the funds provided to Contractor under this Agreement as, and in the manner, requested, from time to time, by CICOA, the State and/or the United States Government. Contractor shall ensure the cooperation of its employees (and its subcontractors, if any), board members and other representatives in any review, audit, inspection or on-site monitoring conducted by authorized representatives of CICOA, the State and/or the United States Government.

(h) Contractor agrees that CICOA, the State and/or the United States Government have the right to make recommendations and findings in connection with any audit and/or on-site monitoring review of Contractor’s operations and Contractor agrees to comply, and require its subcontractors (if any) to comply, with any corrective actions specified by CICOA, the State and/or the United States Government within the time limits established by CICOA, the State and/or the United States Government.

6. **Modification.**

Except as provided otherwise herein, this Agreement may only be modified upon the prior written agreement of CICOA and Contractor. Such modifications shall be subject to review upon any subsequent renewal of this Agreement. Nothing, however, in this Agreement shall be construed as a commitment by CICOA to execute future agreements with Contractor or to extend this Agreement in any way.
7. **Suspension and Termination.**

(a) If either party hereto fails to fully comply with the terms of this Agreement (the “Non-Complying Party”), the other party may, after providing written notice to the Non-Complying Party and a fifteen (15) day opportunity to cure, (i) suspend the performance of Services or payment in whole or in part, or (ii) immediately terminate this Agreement. Any notice of suspension shall state the reasons for the suspension and any corrective action required of the Non-Complying Party during the fifteen (15) day cure period. Any notice of termination shall specify the reasons for termination.

(b) If CICOA determines that any breach of this Agreement by Contractor endangers the life, health or safety of CICOA’s employees, agents, subcontractors, or applicants for, or recipients of, Services under this Agreement, CICOA may immediately terminate this Agreement.

(c) CICOA may immediately terminate this Agreement if Contractor ceases doing business, if Contractor files a petition in the United States Bankruptcy Court under the Bankruptcy Reform Act of 1978, 11 U.S.C. § 101 et seq., and any amendments thereto, or if a petition for involuntary bankruptcy is filed against Contractor.

(d) In the event that either party hereto (hereinafter referred to as the “Assigning Party”) attempts to assign, transfer, convey or encumber this Agreement in any way, then, at the option of the other party, this Agreement shall terminate after such party has provided written notice of termination to the Assigning Party.

(e) Contractor shall provide written notice to CICOA of any change in Contractor’s legal name, ownership or legal status, including, but not limited to, a sale, merger or dissolution of Contractor’s business. CICOA reserves the right, in its sole discretion, to terminate this Agreement should Contractor’s legal status or ownership change in any way. Any such termination shall be effective from the date of the change in Contractor’s legal status or ownership. If CICOA exercises its termination rights pursuant to this Section 7(e), CICOA shall provide written notice thereof to Contractor.

(f) Either party hereto may terminate this Agreement for any reason, and at any time, by providing the other party with at least thirty (30) days advance written notice thereof.

(g) If the State Contract terminates for any reason, CICOA may terminate this Agreement by providing written notice of termination to Contractor. The effective date of termination of the Agreement shall be the date specified by CICOA in
CICOA’s written notice of termination; which effective date may be prior to the date of CICOA’s written notice of termination.

(h) This Agreement may be terminated pursuant to Sections 2(b), 2(d), 2(f), 4(a)(vii), 5(b), 13, 20(c), 22, 23 and 35(p) of this Agreement in accordance with the terms thereof.

8. Obligations Following Termination.

(a) Upon expiration or termination of this Agreement for any reason, Contractor shall remit to CICOA within ten (10) days of the effective date of such expiration or termination, any payments received by Contractor determined to be due CICOA. The action of CICOA in accepting any such amount shall not constitute a waiver of any claim, which CICOA may otherwise have arising out of this Agreement.

(b) Upon termination of this Agreement for any reason, or upon the expiration of its term, Contractor shall, at the request of CICOA, surrender and promptly deliver to CICOA (i) any and all documents and records that may be in Contractor’s (or a subcontractor’s, if any) possession or control relating to this Agreement (including, without limitation, documents received from CICOA, documents/records prepared or received by Contractor (or its subcontractors, if any) as a result of performance of this Agreement, financial records, client files, studies, reports, and any other documents containing Confidential Information (as defined in Section 11 hereof)) and (ii) any and all property purchased by Contractor (or its subcontractors, if any) with funds received from CICOA under this Agreement. CICOA may require the transfer of records or property to its own offices or to a designated successor. CICOA shall provide a full and detailed accounting of any records taken from Contractor and shall make any records available to Contractor as necessary for subsequent audit by CICOA. CICOA and Contractor may negotiate an amount of compensation related to Contractor’s expenses for any period of closeout.

(c) Upon termination of this Agreement for any reason, or upon the expiration of its term, Contractor shall return or, at the written option of CICOA, destroy all PHI (as defined in Section 35 hereof) in the possession of Contractor without retaining any copies thereof. If it is not feasible for Contractor to return or destroy all such PHI, Contractor will provide CICOA with written notification that includes (i) a statement that Contractor has determined that it is infeasible to return or destroy the PHI in its possession, and (ii) the specific reasons for such determination. Contractor further agrees to extend any and all protections, limitations and restrictions contained in Section 35 hereof to Contractor’s use and/or disclosure of any PHI retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI infeasible.
(d) Contractor hereby agrees and acknowledges that CICOA will suffer irreparable damage and injury and will not have an adequate remedy at law in the event of a breach by Contractor of its duties or obligations under this Section 8 or Sections 11 or 35 hereof. Accordingly, in the event of such a breach or a threatened or attempted breach, in addition to all other remedies which CICOA may have under this Agreement, at law, in equity or otherwise, CICOA shall be entitled to a temporary and permanent injunction or a decree of specific performance of such provisions, and no bond or other security shall be required.

(a) Contractor specifically acknowledges, and shall comply with, all applicable laws, rules, regulations, ordinances and any amendments thereto, in performing its obligations under this Agreement including, but not limited to, all federal, state and local laws, rules, regulations and ordinances pertaining to (i) the provision of Services hereunder, and (ii) labor standards, wages, hours and conditions of employment. Contractor shall also comply with all statements, assurances and provisions set forth in any proposal, program narrative, plan, budget, or other document submitted by Contractor and approved by CICOA for the purpose of obtaining funding from CICOA and entering into this Agreement.

(b) Contractor shall comply, and require its subcontractors (if any) to comply, with all of the terms, conditions and requirements set forth under the State Contract as they relate to the provision of Services and Contractor’s performance of this Agreement. Contractor shall also fully cooperate with and assist, and require its subcontractors (if any) to fully cooperate with and assist, CICOA in fulfilling all of CICOA’s responsibilities, obligations and duties under the State Contract. Further, Contractor understands and agrees that, should any term or condition set forth under this Agreement as it relates to the duties and obligations of Contractor or the provision of Services to be provided by Contractor conflict with any term, condition or requirement of the State Contract, the terms and conditions of the State Contract shall control.

(c) Any provision required by law or the State Contract to be in this Agreement, which is not included herein, shall be deemed included, as if set forth in full herein. Contractor and CICOA shall amend the Agreement to expressly include such provision within a reasonable time after the omission or change in law is discovered.

10. Subcontractors.

Notwithstanding anything to the contrary provided herein, Contractor may not engage a subcontractor to perform Services under this Agreement without the prior written
approval of CICOA. CICOA shall have the right, in its sole discretion, to deny approval of a subcontractor for any reason. In addition, CICOA shall have the right, at any time during this Agreement and in its sole discretion for any reason, to immediately terminate any individual subcontractor from providing Services required under this Agreement while continuing the Agreement with Contractor, after providing written notice of subcontractor termination to Contractor.

Contractor shall require its subcontractors (if any) to comply with all of the provisions set forth in the State Contract and this Agreement. Contractor shall remain responsible to CICOA for the performance of any subcontractor and shall monitor the performance of any subcontractor. Contractor agrees to enter into written agreements with all subcontractors and to provide copies of all subcontracting agreements to CICOA upon request. Contractor further agrees to immediately (i) notify CICOA in writing of a breach of this Agreement by a subcontractor and (ii) discontinue any agreement with the specified subcontractor upon discovery of such breach.

11. Confidentiality.

In connection with the performance of this Agreement, Contractor may receive oral and written information in confidence relating to CICOA which information is or is deemed to be confidential (the “Confidential Information”) and the sole and exclusive property of CICOA. For purposes of this Agreement, “Confidential Information” shall include, but not be limited to, client files/information, data, studies, reports prepared by Contractor, business and financial information, protocols, practice methods, marketing information, contracts, trade secrets (as that term is defined under the Indiana Trade Secrets Act, Ind. Code Sections 24-2-3-1 et seq.), any information that possesses independent economic value to CICOA, and any other information, documents and/or records regarding the affairs and operations of CICOA.

Contractor shall maintain, hold in trust and safeguard the Confidential Information in accordance with applicable law, and shall not, during or after the term of this Agreement, (i) use the Confidential Information to the detriment of CICOA or for any purposes other than the performance of Contractor’s obligations hereunder, or (ii) disclose the Confidential Information to any other firm, person, corporation, association, or entity for any reason or purpose whatsoever without, in each instance, the prior written consent of CICOA.

12. Indemnification.

(a) Contractor agrees to defend (at CICOA’s election), indemnify, and hold harmless CICOA and its directors, officers, employees, agents, officials and other representatives from and against any and all claims, liabilities, demands, damages, losses, costs, lost profits, fines, penalties and expenses, (including reasonable attorneys’ fees) which may be sustained or incurred in the following instances:
By reason of any applicant for, or recipient of, Services suffering personal injury, death or property loss or damage as a result of any act or omission of Contractor or any of its officers, agents, employees, subcontractors or other representatives in providing Services or performing any other obligation pursuant to this Agreement;

By reason of any applicant for, or recipient of, Services causing injury to or damage to the property of another person as a result of any act or omission of Contractor or any of its officers, agents, employees, subcontractors or other representatives in providing Services or performing any other obligation pursuant to this Agreement;

By reason of any of Contractor’s officers, agents, employees, subcontractors or other representatives, or any other person, suffering personal injury, death or property loss or damage as a result of any act or omission of Contractor or Contractor’s officers, agents, employees, subcontractors or other representatives in providing Services or performing any other obligation pursuant to this Agreement;

By reason of Contractor’s breach of any (A) term of this Agreement, or (B) representation, warranty or certification of Contractor set forth in this Agreement; or

By reason of the acts, omissions or other conduct of Contractor (or any subcontractor) in connection with performance of Contractor’s obligations or duties under this Agreement and/or the provision of Services.

The provisions of this Section 12(a) shall not apply to liabilities, losses, costs or expenses caused by or resulting solely from the acts or omissions of CICOA or any of its officers, employees, agents, officials or representatives.

In addition to Section 12(a) above, Contractor agrees to indemnify any individual or client receiving Services from Contractor under this Agreement for any and all loss, property damage, theft, injury, expenses or other costs incurred or sustained by such individual as a result of the omissions or acts of Contractor, its officers, agents, employees, subcontractors or other representatives in providing Services or in connection with the performance of this Agreement. The parties hereto agree that the determination as to whether an individual’s loss, property damage, theft, injury, expense or other cost has occurred as the result of the omissions or acts of Contractor or its officers, agents, employees, subcontractors or other representatives in providing Services, or in connection with the performance of this Agreement, shall be made by CICOA in its sole discretion, and such determination shall be conclusive and binding on the parties hereto. CICOA’s
determination in this regard shall be reasonable and substantiated by the relevant facts and circumstances.

13. **Licensing Standards.**

Contractor and its subcontractors (if any) shall (i) obtain and maintain during the term of this Agreement all required permits, licenses, and approvals necessary for the provision of Services hereunder and (ii) comply with all applicable licensing and accrediting standards, laws, rules, regulations and criteria which any governmental entity requires of Contractor or its subcontractors in the provision of Services pursuant to this Agreement including, without limitation, all health, safety, and environmental statutes, rules, and regulations.

CICOA shall not be required to pay Contractor for Services performed when Contractor or its employees or subcontractors are not in compliance with the terms of this Section 13. If Contractor’s (or its subcontractors’, if any) licensure, certification or accreditation is limited or restricted in any way, expires, is revoked, voluntarily surrendered or otherwise lost for any reason, Contractor agrees to immediately notify CICOA in writing thereof. In such event, CICOA shall have the right to immediately terminate this Agreement by providing written notice of termination to Contractor.

14. **Insurance.**

(a) Contractor agrees to obtain, and require each of its subcontractors (if any) to obtain, general liability insurance coverage in the minimum amount of One Million Dollars $1,000,000 for bodily injury and property damage. (b) Contractor agrees to obtain for its employees, and require each of its subcontractors (if any) to obtain, for its respective employees, workers’ compensation and unemployment compensation insurance as required by the laws of the State of Indiana.

(c) For all insurance coverage required under this Section 14, CICOA shall be named as an additional insured on all required certificates of insurance. Contractor shall furnish CICOA certificates of insurance for itself and its subcontractors (if any) immediately upon the request of CICOA at any time during the term of this Agreement. In addition, Contractor shall notify CICOA at least sixty (60) days in advance if any such policy is to be cancelled, non-renewed or the coverage reduced.

Contractor shall maintain and provide to CICOA an accounting of all Program Income earned as a result of, and during the term of, this Agreement immediately following the expiration or termination of this Agreement.

17. **Non-Discrimination.**

(a) Pursuant to the Indiana Civil Rights Law, specifically including IC 22-9-1-10, and in keeping with the purposes of the federal Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, Contractor (and its subcontractors (if any)) covenants that it shall not discriminate against any employee or applicant for employment or any matter directly or indirectly related to employment because of the employee’s or applicant’s race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law (“Protected Characteristics”).

(b) Contractor and its subcontractors (if any) shall comply with all applicable federal, state, and local laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of Services.

(b) If the total amount of funding provided to Contractor under this Agreement exceeds $25,000, Contractor acknowledges that this Agreement is expressly subject to the terms, conditions and representations contained in the “Drug-Free Workplace Certification” executed by Contractor in conjunction with this Agreement and which is attached hereto as Attachment E.

(c) It is further expressly agreed that should Contractor fail to comply with the terms of Section 20(a) above, or should Contractor falsify or otherwise violate the terms of the certification referenced in Section 20(b) above, such actions shall constitute a material breach of this Agreement, and shall entitle CICOA to impose sanctions against Contractor, including, but not limited to, suspension of payments under this Agreement and/or termination of this Agreement, and/or debarment of Contractor from doing further business with CICOA for a period of up to three (3) years.

21. **Lobbying Activities.**

(a) Pursuant to 31 U.S.C. § 1352, and any regulations promulgated thereunder, all as may be amended, Contractor hereby assures and certifies, pursuant to Attachment F, that no federally appropriated funds have been paid or will be paid, by or on behalf of Contractor, to any person influencing or attempting to influence an
officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any federal contract, grant, loan or cooperative agreement.

(b) If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Agreement, Contractor shall complete and submit “Standard Form-LLL, Disclosure Form to Report Lobbying.” If Contractor is required to submit “Standard Form-LLL,” the form and instructions for preparation may be obtained from the State of Indiana.

22. Debarment and Suspension.

Contractor certifies, by entering into this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Agreement by any state department or agency. The term “principal” for purposes of this Agreement is defined as an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of Contractor.

In addition, Contractor represents and warrants that neither Contractor nor its subcontractors, if any, have been excluded or served a notice of exclusion or have been served with a notice of proposed exclusion, or have committed any acts which are cause for exclusion, from participation in, or had any sanctions, or civil or criminal penalties imposed under, any federal or state healthcare program. Contractor agrees to notify CICOA immediately after Contractor becomes aware that any of the foregoing representations and warranties may be inaccurate or may become incorrect. In such event, CICOA may immediately terminate this Agreement after providing written notice of termination to Contractor.

23. Conflict of Interest.

The parties agree that all conflict of interest requirements set forth in the State Contract and as required by applicable law are applicable to this Agreement. In addition, no employee, agent or representative of Contractor who may be in a position to participate in the decision making process of Contractor may derive a personal or financial interest or benefit from any activity funded through this Agreement, either for himself or for those with whom he has family or business ties, during the term of this Agreement and for one (1) year thereafter.
The Contractor, its agents and subcontractors (if any) shall abide by all ethical requirements that apply to persons who have a business relationship with the State, as set forth in Indiana Code § 4-2-6 et seq., Indiana Code § 4-2-7, et. seq., the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004. If Contractor is not familiar with these ethical requirements, Contractor should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission website at http://www.in.gov/ethics/. If Contractor, its agents or subcontractors violate any applicable ethical standards, CICOA may, in its sole discretion, immediately terminate this Agreement by providing written notice of termination to Contractor. In addition, Contractor may be subject to penalties under applicable law.

24. **Governing Law.**

This Agreement shall be governed by and construed in accordance with the laws of the State of Indiana and suit, if any, must be brought in the State of Indiana. If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions shall remain in full force and effect.

25. **Relationship of the Parties.**

Both parties hereto, in the performance of this Agreement, acknowledge that they are acting in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever. Neither party will assume any liability for injury, including death, to any person, or damage to any property arising out of the acts or omissions of the agents, employees or subcontractors of the other party.

26. **Waiver of Rights.**

No right conferred on either party under this Agreement shall be deemed waived and no breach of this Agreement excused, unless such waiver or excuse shall be in writing and signed by the party claimed to have waived such rights.

27. **Assignment.**

This Agreement shall be binding upon and inure to the benefit of the respective legal successors of the parties hereto. Neither party hereto may assign this Agreement without the express written consent of the other party.
28. **Entire Agreement.**

This Agreement contains the entire agreement of the parties hereto with respect to the subject matter contained herein.

29. **Interpretation and Construction.**

In interpreting this Agreement, CICOA and Contractor agree and acknowledge that they and their legal counsel have fully participated in its preparation, and that neither party shall be charged with having prepared this Agreement or any particular provision hereof. This Agreement shall therefore be construed without regard to any rule or presumption, which requires construction against the party drafting or preparing a legal document.

30. **Counterparts.**

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same document.

31. **Survival.**

The respective rights and obligations under the provisions of Sections 5, 8, 11, 12 and 16 shall survive termination of the Agreement indefinitely.

In any civil action, arbitration, or other proceeding brought to enforce the terms hereof, or to redress a breach of a term hereof, the prevailing party shall be entitled to payment from the non-prevailing party of its reasonable attorneys’ fees and expenses in addition to any damages or other relief to which it may become entitled.

(g) **Contractor’s Agents/Subcontractors.**

Contractor shall ensure that any agents or subcontractors, to whom it provides PHI received from, or created or received by Contractor on behalf of CICOA, agree with Contractor in writing to implement reasonable and appropriate safeguards to protect such PHI and to comply with all of the same terms, restrictions and conditions that apply to Contractor as set forth in this Section 35.

Contractor’s written report to CICOA of any such breach shall include all information as required by CICOA for CICOA to fulfill its obligations to provide written notice to affected individuals and other applicable third parties pursuant to the HIPAA Laws. Without limiting any other remedies available to CICOA under this Agreement, Contractor shall (i) reimburse and indemnify CICOA for all notification and other compliance costs and expenses incurred by CICOA as a result of a breach by Contractor (or any of Contractor’s agents or subcontractors) as provided under this Section 35(o), and (ii) fully and timely cooperate with CICOA, and any requests by CICOA, to ensure CICOA’s compliance with all notification and other obligations required by the HIPAA Laws as a result of such breach.

(p) **Termination.**

If Contractor breaches any term of this Section 35 (as determined by CICOA), CICOA may immediately terminate this Agreement by providing written notice thereof to Contractor.
(q) PHI References.

Contractor’s duties and obligations with respect to PHI as provided under this Section 35 pertain solely to PHI received by, for, or on behalf of CICOA, or otherwise created by Contractor on behalf of CICOA.

(r) Interpretation.

Appeals Process for “Non-Waiver” Funded Client Services:
CHOICE, Title 3 & SSBG

As an individual who is applying for or receiving In-Home Services we hope that you are pleased with the decisions being made regarding those services. However, you have the right to disagree with the decisions made about your care. These decisions would include being found ineligible for services, having services denied to you, having services discontinued, or having services provided which you feel are not in your best interest.

Appeals Process
In the case of applicants or participants who lack the capacity to make a knowing and informed decision regarding their own care, their representative may appear on their behalf throughout the appeals process.

Step 1: Informal Review with the Care Manager and Care Manager Supervisor
Any questions, concerns, or problems regarding services must first be discussed with the care manager and the care manager’s supervisor. This informal meeting may take place either at the agency or at the applicant’s or participant’s home. The applicant or participant may be accompanied by an advocate. Within 5 business days of the date of the informal review, the care manager supervisor must inform the applicant or participant in writing of the decision reached on the issues raised at the meeting. The care manager supervisor must also inform the applicant or participant that he/she may appeal the decision, in writing only, within 18 calendar days of the date of the care manager supervisor’s decision.

Step 2: Agency Review
The agency review process begins when an applicant or participant requests a review of the care manager supervisor’s decision by the executive director of the agency or the director’s designee. The request must be made in writing to the AAA within 18 calendar days of the date of the case manager’s supervisor’s decision. The executive director or his/her designee (an employee of the AAA above the level of care manager supervisor) shall conduct the Agency Review at the applicant’s or participant’s home or at the AAA office, whichever is more convenient for the applicant or participant. The applicant or participant, his/her advocate (if desired), and the care manager or the care manager supervisor shall attend the review.

Applicants and participants will be given the opportunity to testify, present supporting materials and explain why they disagree with the action or decision and what they would view as an appropriate alternative. The care manager or the care manager supervisor will also be asked to testify and explain the reasons for the decision or action taken.

Within 5 business days of the meeting (and after consulting with the agency’s executive director if the person conducting the review is a designee), the person conducting the review will prepare the agency’s final decision in writing which will include facts of the case and the specific reason for the decision. The applicant or participant and his/her advocate (if any) will each be sent a copy of the decision by registered or certified mail, return receipt requested. The executive director or
The director’s designee shall inform the applicant or participant of his/her right to Administrative Hearing under Step 3 if dissatisfied with the agency’s final decision.

**Step 3: Administrative Hearing**
If the applicant or participant is dissatisfied with the decision reached at the Agency Review, he/she may appeal the decision by requesting an Administrative Hearing. The applicant or participant must make the request for an Administrative Hearing in writing to the Director of the Division of Aging within 18 days of the date of the decision from the Agency Review. The request should include the statement regarding the issues the applicant or participant wishes reviewed and must be signed and dated.

Administrative Hearing will be conducted by the Administrative Law Judges (ALJ’s), or hearing officers, appointed by the Commissioner. The procedures and rules that govern the appeal process once an individual requests an Administrative Hearing are contained in IC 4-21.5 et seq., the Administrative Orders and Procedures Act. Testimony will be taken under oath or affirmation and the proceedings will be tape-recorded. The applicant or participant, his/her advocate, any other witness(es) that a party chooses to present, and the care manager or care manager supervisor will each be given an opportunity to place written material into evidence, present additional written or oral statements and ask questions of any party. If the applicant or participant wishes to have a transcript of the hearing, the Division of Aging will transcribe the tape at the individual’s expense. The Division may waive this cost in exceptional circumstances.

Immediately following the hearing, the ALJ will prepare the proposed decision which will include a report of the finding of fact and the reasons for the decision based on those finding of fact. This proposed decision will be forwarded to the Director of the Division of Aging. A copy of the proposed decision will be sent to the AAA, the applicant or participant and his/her advocate (if any) by registered or certified mail, return receipt requested.

The Director of the Division of Aging will then affirm, modify, or dissolve the ALJ’s proposed decision. The AAA, the applicant or participant and his/her advocate will be notified of the Director’s final order by registered or certified mail, return receipt requested.

If an applicant or participant appeals a decision which terminates any service that is already being provided, the service(s) in question will usually be continued by the appropriate non-Waiver program until the appeal is resolved. However, services which would be harmful to the participant, or which would violate state or federal law or regulations and internal policies of the appropriate non-Waiver program or the Division of Aging and Rehabilitative Services will not be provided.

**Assistance Available to the Applicant or Participant during the Appeal Process**
An applicant or participant may bring to his/her Informal Review, Agency Review, and Administrative Hearing any person he/she wishes to present, including legal counsel. The Division of Disability, Aging and Rehabilitative Services will not pay for legal counsel for an applicant or participant during the appeal process. Free legal counsel may be available to the applicant or participant through community legal services organizations, the addresses of which will be available at the AAA.
Interpreter services will be made available to assist the deaf or non-English speaking. Reader services will be made available to assist the blind. However, if the applicant or participant requires these services for the participation in the Agency Review or Administrative Hearing, the applicant or participant must discuss the arrangements with the care manager beforehand.

Complaints and appeal requests should be directed to:
