CICOA 2021 SPONSORSHIP OPPORTUNITIES

CICOA
Aging & In-Home Solutions
A member of the INconnect Alliance.
Make a difference in Central Indiana…and enjoy doing it!

It’s a win-win. CICOA is hosting three COVID-safe outdoor events this year. Sponsoring one or more of these annual fundraisers gives you the opportunity to build brand awareness and team spirit, all while having good, safe fun! Feel good about supporting in-home services for seniors, people with intellectual, developmental or medical disabilities, and family caregivers, while putting your company name in front of key stakeholders.

### September 11
Safe at Home is an annual, high-impact, half-day of service to homeowners over the age of 60 or to persons of any age with a disability. The event, now in its 11th year, occurs during National Fall Prevention Awareness Month and targets neighborhoods with older, low-income homeowners. On event day, volunteers do simple projects, such as installing grab bars, handrails and lighting, yard work, and home organization.
