SERVICE & UNIT DEFINITIONS TITLE III-D DISEASE PREVENTION/HEALTH PROMOTION SERVICES

Both evidenced based and non-evidenced based programs are eligible this grant cycle. More information on non-evidenced programs can be found in the Title III-D ‘Service Offerings’ document.

For evidenced based programs, the following is required:

**Highest-level criteria:**

- Demonstrated through evaluation to be effective for improving the health and wellbeing or reducing disease, disability and/or injury among older adults; and
- Proven effective with older adult population, using Experimental or Quasi-Experimental Design; and
- Research results published in a peer-reviewed journal; and
- Fully translated in one or more community sites; and
- Includes developed dissemination products that are available to the public.

Additional information and a full description of programs that meet this criteria is available at: [The National Council on Aging (ncoa.org)](https://ncoa.org)

DISEASE PREVENTION AND HEALTH PROMOTION SERVICES DESCRIPTIONS AND UNIT RATES

**4010 DISEASE PREVENTION AND HEALTH PROMOTION SERVICES:** Disease Prevention and Health Promotion Services provide information and support to older individuals with the intent to assist them in avoiding illness and improving health status.
