A Partnership for Good.

**You can have the greatest impact
on the largest generation!**

At CICOA, we are committed to enhancing the lives of seniors, individuals with disabilities, and family caregivers by offering the essential support they need to thrive independently, stay healthy, and remain engaged in their communities.

Your deep understanding of our community's needs and your partnership with CICOA create lasting, meaningful change for those we serve. Together, we empower individuals to maintain independence and live with dignity.

CICOA is a well-respected organization with a long history of providing quality services, and your company's partnership is key to propelling our initiatives forward.

Join us and make a difference in Central Indiana while gaining high-value exposure and prominent recognition for your company!
